### DIATEST UK Metrology Ltd

Dear Ladies and Gentlemen,

We are pleased to inform you that from 1st March 2024 DIATEST UK Metrology Ltd. will take over the distribution of DIATEST products for the UK and Ireland.

Our long term partner DIATEST (UK) Ltd. will cease its 45 years of business operations on 29 February 2024. We thank John and Steve for all the years of commitment and the successful development of our distribution in the UK and Ireland!

We would like to ask you to place the same trust in the new DIATEST UK Metrology Ltd. as you did in the previous company. During the short transition period, all open business transactions are transferred to the new company, so that a smooth handover is guaranteed for you.

We, DIATEST Hermann Költgen GmbH (Darmstadt, Germany) support this step and will accompany DIATEST UK Metrology Ltd. as a partner and distributor of our products and solutions in the UK and Ireland.

With the new team, you will again have experienced and capable contacts who have been trained by the DIATEST parent company.
